

Stitcher Now Available on Verizon's Most Popular BlackBerrys

Stitcher today announced the release of its streaming-audio application for Verizon's top BlackBerry devices

San Francisco, November 6, 2009 – Stitcher, the leader in on-demand news and talk radio for mobile phones, is now available on Verizon's best-selling BlackBerrys, including the Tour 9630, Storm 9530, Curve 8330 and 8830. Verizon customers can download the free Stitcher app at www.stitcher.com/dl. This version of Stitcher is also available in BlackBerry's App World.

Already a top app on the iPhone, Palm Pre and numerous BlackBerrys, Stitcher is excited to extend its reach to America's largest wireless network.

"We're thrilled to support Verizon's most popular BlackBerrys," said Stitcher CEO and co-founder Noah Shanok. "There has been a high demand for Stitcher throughout the Verizon network, and I'm pleased to now offer our library of top audio shows and programming to more Verizon customers."

The Stitcher app for BlackBerry, iPhone and Palm webOS mobile phones allows users to enjoy leading digital content in an audio format, on the go – also known as Smart Radio. Stitcher's release onto Verizon's stable of BlackBerrys marks yet another stride the company has taken toward making free Smart Radio available to the largest possible audience.

Smart Radio

Smart Radio is a rapidly emerging media category that combines the mobility of radio with the content availability and choice of Internet technology. With Smart Radio, anyone with an Internet connection can stream on-demand audio to their mobile devices, customizing their programming to fit their individual preferences and interests – from music to talk to information.

Stitcher

Stitcher is Smart Radio for mobile phones. With Stitcher's free mobile phone app, BlackBerry, iPhone and Palm webOS listeners have the ability to access their favorite audio content anytime, anywhere. By streaming the best in news, sports, talk and entertainment straight to mobile phones, Stitcher is the easiest way to stay connected to the world on the go – receiving only the information that's most important, in a format that fits into people's busy lives. The company was recently honored with the 2009 "People's Voice Webby" award for Mobile News and a "Best of '09" award from *San Francisco* magazine. Smartphone users can download Stitcher quickly and easily at www.stitcher.com or at the iPhone, Palm, & BlackBerry app stores.
